## THE BAMBUS PROJECT

2025 was a banner year for Bambinos as we launched our first mobile diaper bus, affectionately referred to as the "BamBus." Because of this, we are now serving families across Polk, Marion, Yamhill, Linn, and Benton Counties.

We're humbled and grateful for how the Lord provided, realigned our resources, and brought together the body of Christ to meet every need. The BamBus is more than a vehicle; she's a testament to God's faithfulness and the power of community.
