

Bambinos Wishes You a Merry Christmas

2022 has been a crazy busy year for Bambinos! For those of you who have been supporting us for a while, you'll remember that the Lord asked us to "stand still" in 2021. As the busy-ness of 2022 unfolded, we figured out why. In His mercy, He gave us rest so that we would be ready to face all of the challenges and excitement this year has brought. We had a wonderfully successful Swap & Shop in the spring and then moved to a beautiful and much bigger facility in our same building! Immediately following this was our annual auction which was our biggest yet! And we had so much stuff we had a SECOND swap & shop for the first time ever in our OWN space! God is SO good. He takes very good care of us. Praying for all of you to know of His provision and trust His plans. Because they are good.

Happy 2023 to you all!

In His service,
Bambinos Board of Directors
