

Happy February to you all! Here's what's going on with Bambinos!

First of all, we're very excited to announce that the Dallas Community Foundation has awarded us with a generous grant for \$1,800 to help us hire an IT company who specializes in nonprofits for one year. We have been in desperate need of some help with our phone system, database training for new volunteers, and a new system for our auction. We are very excited about what this partnership will mean for our ministry and for you as our supporters.

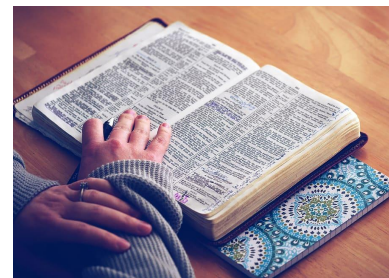

Speaking of support, for those of you waiting for your tax donation letters, we want to sincerely apologize that they have not been printed and mailed yet. Our treasurer has been battling sickness over the past several weeks and this has caused significant delays. We appreciate your patience.

The statements are all complete and just need to be printed, addressed and mailed. If you would like your statement sent to you via email so that you can get it sooner, please email [april.bambinos@gmail.com](mailto:april.bambinos@gmail.com). The plan is to have them all printed and mailed by Tuesday, February 21 if you have not requested it via email.

Also, for those who may not know, Amazon Smile will no longer be a program as of February 20. Please consider supporting us in other ways, as you can, since this program will no longer be available. We do continue to have an Amazon wishlist and we want to thank many of you who have ordered desired items this year!

We are excited to share that we are back to hosting in our space! We now have a perinatal/postpartum peer support group meeting on Wednesday mornings, and two Bible studies starting: a co-ed Bible study on Wednesday evenings, studying Ephesians and led by Jackson and Chloe Basey, and a Mama's Bible study on Thursday evenings, studying the sermon on the mount (Matthew 5-8), led by Glenda Dunaway. Please pray for these studies to reach people in need.

We also have exciting things coming involving oil changes and car repair for our clients through the wonderful ministry of David Mohr with InFaith. Stay tuned!

Please continue to pray for the leadership and volunteers here at Bambinos as we battle sickness this winter. It's been a doozy. We are so thankful for your prayer support as we strive to be the hands and feet of our Lord in the Polk County area this year.
